LETTER FROM THE BOARD

GENERAL MANDATES

At the Annual General Meeting, separate ordinary resolutions will be proposed to renew the general mandates given to the Directors (i) to allot, issue and otherwise deal with Shares not exceeding in aggregate 20% of the aggregate nominal amount of the share capital of the Company in issue at the date of the passing of such resolution; (ii) to repurchase Shares comprising the aggregate nominal amount of which does not exceed 10% of the aggregate nominal amount of the issued share capital of the Company at the date of passing of such resolution; and (iii) to add the aggregate amount of the Shares repurchased by the Company to the general mandate to the Directors to allot new Shares of up to 20% of the issued share capital of the Company.

The mandates to issue and repurchase Shares granted at the annual general meeting held on 3rd March, 2006 will lapse at the conclusion of the Annual General Meeting. Resolutions nos. 4A to 4C set out in the notice of Annual General Meeting will be proposed at the Annual General Meeting to renew these mandates. With reference to these resolutions, the Directors wish to state that they have no present intention to repurchase any Shares or to issue any new Shares pursuant to the relevant mandates.

The explanatory statement, required by the Listing Rules to be sent to Shareholders in connection with the proposed Repurchase Mandate is set out in the Appendix to this document. This contains all the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the relevant resolutions.

AMENDMENT TO THE ARTICLES AND ADOPTION OF NEW ARTICLES

The existing article 122(a) of the Articles provides that Shareholders may by special resolution remove any Director before his expiration of his period of office and by ordinary resolution elect another person in his stead and such newly elected Director shall hold office during such time only as the Director in whose place he is elected would have held the same if he had not been removed.

In view of the revised Appendix 3 and Appendix 13, Part B, of the Listing Rules, which came into effect on 1st March 2006, and the relevant code provision contained in Appendix 14 of the Listing Rules, a special resolution will be proposed at the forthcoming Annual General Meeting to amend Articles 106(vii) and 122(a) of the Articles to the effect that any removal of Directors can be passed by Shareholders in general meeting by way of an ordinary resolution instead of a special resolution and any new Director elected in his place will be subject to re-election by Shareholders at the next general meeting. Full text of the special resolution relating to the amendments to the Articles is set out as resolution no. 5A in the notice of the Annual General Meeting.

In view of the substantial amendments that have been made to the Articles over the past years, the Directors propose the passing of a special resolution (set out as resolution no. 5B in the notice of the Annual General Meeting) to adopt a new set of Articles incorporating all amendments previously made to the Articles and to be made to the Articles at the forthcoming Annual General Meeting in substitution for the existing Articles.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that the proposed granting of general mandates to the Directors to issue and repurchase Shares, the proposed re-election of retiring Directors and the proposed amendments to the Articles and adoption of a new set of Articles are in best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of the ordinary and special resolutions to be proposed at the Annual General Meeting in respect thereof.

Yours faithfully,
For and on behalf of
Global Tech (Holdings) Limited
SY Ethan, Timothy
Chairman

The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Repurchase Mandate proposed to be passed by the Shareholders by an ordinary resolution at the Annual General Meeting.

1. SHARE CAPITAL

It will be proposed at the Annual General Meeting to be held on Friday, 9th February, 2007 an ordinary resolution to grant the Repurchase Mandate to the Directors up to 10% of the Shares in issue as at the date of the passing of such resolution.

As at the Latest Practicable Date, the authorised share capital of the Company was HK\$200,000,000 divided into 20,000,000,000 Shares, of which 5,165,973,933 Shares were in issue. There were 100,500,000 outstanding options granted under the Old Share Option Scheme to subscribe for up to 100,500,000 Shares. On such basis (and assuming no further Shares are issued or repurchased by the Company prior to the Annual General Meeting), the Directors would be authorised to repurchase up to 516,597,393 Shares.

In the event that all the subscription rights attached to the options are exercised in full on or before 5:00 p.m. on Thursday, 8th February, 2007 by the holders of options granted under the Old Share Option Scheme, the number of Shares in issue will be increased to 5,266,473,933. On the basis of such figure (and assuming no further Shares are issued or repurchased by the Company prior to the Annual General Meeting), the Directors would be authorised to repurchase 526,647,393 Shares.

2. REASONS FOR THE REPURCHASE

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangement at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASES AND IMPACT ON REPURCHASES

Repurchases must be made out of funds which are legally available for such purpose in accordance with the memorandum and articles of association of the Company and the laws of the Cayman Islands. It is envisaged that the funds required for any repurchases would be derived from the distributable profits of the Company.

There may be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements for the year ended 30th September, 2006) in the event that the proposed repurchases of Shares were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or its gearing level which in the opinion of the Directors is from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices at which the Shares had traded on the Stock Exchange in each of the previous twelve months were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
August 2003	0.127	0.093
September 2003	0.115	0.098
October 2003	0.118	0.096
November 2003	0.105	0.085
December 2003	0.101	0.084
January 2004	0.105	0.089
February 2004	0.116	0.086
March 2004	0.098	0.080
April 2004	0.088	0.071
May 2004	0.085	0.050
June 2004	0.082	0.059
July 2004	0.066	0.050

Note:

At the direction of the Stock Exchange, trading in the Shares has been suspended with effect from 9:30 a.m. on Monday, 19th July, 2004 pending the release of a further clarification announcement in relation to removal of independent non-executive directors and the clarification of the financial position of the Group. Therefore, there were no highest and lowest prices from August 2004 to the Latest Practicable Date.

5. GENERAL

No connected persons (as defined in the Listing Rules) of the Company have notified it of a present intention to sell Shares to the Company and no such persons have undertaken not to sell any such Shares to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

There are no Directors or (to the best of the knowledge of the Directors, having made all reasonable enquiries) any associates (as defined in the Listing Rules) of the Directors of the Company who have a present intention, in the event that the Repurchase Mandate is granted by the Shareholders, to sell Shares to the Company.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and the laws of the Cayman Islands.

If as a result of a share repurchase a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register kept pursuant to the Section 336 of the Securities and Futures Ordinance, Optimum Pace International Limited, which holds approximately 57% of the issued share capital of the Company, is the only substantial shareholder of the Company holding more than 5% of the issued share capital of the Company. As such, no matter to what extent the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate, Optimum Pace International Limited will not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

Save as disclosed above, the Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any purchases made pursuant to the Repurchase Mandate.

6. REPURCHASES MADE BY THE COMPANY

The Company has not repurchased any of its securities (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
